#### UPDATES FOR OUR PEOPLE of PMACS

- *We now offer CREDIT CARD payments via the Square device. MC/VISA/AMEX/DISCOVER all accepted. Arrangements must be made with Heidi Hill to swipe the card or process over the phone. There is a 3.5 % fee associated with payments made via Credit Card.*
- Monthly billing for clients who utilize our services more than 15 times a month is available. Pick the day and we will process your invoice via email on the day of your choice.

#### FRIENDLY REMINDERS

- **HURRICANE SEASON** is here! Prior to travel, please be sure your Hurricane Preparedness Form is filled out with up to date information on where your pet(s) will go in the event of a storm and you are not home. We will NOT leave pet(s) alone regardless of how safe your home may be. Our sitters may not be able to get to your home post storm, as Katrina taught us. Pre arranged shelters, friends or family must be available to care for your pet(s) if a storm is imminent.
- **SAFETY FIRST:** *Please kindly use your alarms while you are away. We want your home, pet(s) and sitters to be safe. Keys should not be left outside for sitters to retrieve. We will gladly come by and pick up a key prior to your departure one time as a courtesy. Key(s) are kept secure labeled with your pet (s) names in our office or can be returned.*
- Try to keep your pet(s) surroundings, bedding, food and routines the same while you are away. It is essential for good mental and physical health to maintain routine for our furry friends. Introducing new scenarios and foods can be more upsetting for our pet(s) and create stomach upset. Our goal is comfort and happiness and we will do whatever it is to ensure your pet(s) and you have peace of mind...

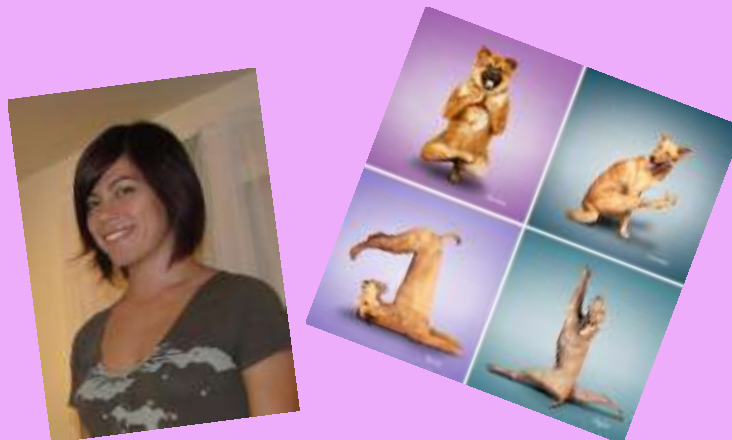

HOLIDAY FEES...we work 365 days a year for our PMACS pets and people...  
 The following holidays we will now be charging a \$20 one time Holiday Fee per day.

- New Years Eve
- New Years Day
  - Easter
- July 4<sup>th</sup> Day
- Memorial Day
  - Labor Day
- Thanksgiving Day
